# 2012 Flu Shots Early Bird Special! *Onsite Flu Shot Clinics*

**Reserve your vaccines now and lock in your  
10% off early bird special (expires March 31, 2012).**

Sensia Healthcare is taking reservations for 2012 Seasonal Flu Shot Clinics. These on site clinics will likely begin in September/October of 2012. We estimate the cost will be about \$29, but we won't know the actual cost until late Spring or early Summer of 2012.

Sensia's flu clinic costs have always been competitively priced, and have always cost less than the local market leader. Commit by March 31, 2012 and get a 10% off the flu shot cost (to be determined).
